Symposium Agenda

7 – 7:45 a.m.
Registration, Breakfast and Vendor Expo

7:45 – 8:00 a.m.
Welcome
Kara Streets, MS, BSN, RN, CEN, NE-BC
DENA President
Sally Snow, BSN, RN, CPEN, FAEN
ENA Regional Director

8:00 – 9:00 a.m.
Substance Abuse and the Healthcare Provider
Thomas Scott, M.D., BA
Assistant Professor of Anesthesiology and Critical Care Medicine, George Washington University
Health care providers are aware of recreational drug use. However, understanding addiction and related behaviors in health care providers are not as well known. Learn how to recognize these behaviors and addiction issues and about your responsibility to report impaired health care providers.

9:00 – 10:00 a.m.
Pigs, Poop, Pesticides and Pickers: Farm Injuries
Karrie Pearce, BSN, RN, CEN, CPEN
Trauma and Critical Care Outreach and ED Causal Staff Nurse, Hennepin County Medical Center, Minneapolis, MN
Many of us travel across the United States taking in the majestic scenes of our agricultural lands. Who knew that such beautiful scenes possessed hidden dangers? Learn about injuries caused by animals, gas exposures, machinery and farm structures.

10:00 – 10:30 a.m.
Break and Vendor Expo

10:30 – 11:30 a.m.
Methamphetamine: From First Responder to First Receiver
Jake Oresham, III
Deputy Chief, Special Operations New York State Division of Homeland Security & Emergency Services
Office of Fire Prevention and Control
For many pre-hospital personnel and health care providers, the specific chemicals used to manufacture methamphetamines and their potential safety hazards are not easily identifiable. This lecture will cover symptoms of exposure to these chemicals and decontamination procedures and PPE for first responders and first receivers.

11:30 a.m. – 12:30 p.m.
Trends in Trauma & Critical Care
Karrie Pearce, BSN, RN, CEN, CPEN
Trauma and Critical Care Outreach and ED Causal Staff Nurse, Hennepin County Medical Center, Minneapolis, MN
Do you understand “MARCH” and “RUSH” in relation to assessing your critically ill patient? Learn about these and other current trends in trauma and critical care.

12:30 – 1:30 p.m.
Lunch
Vendor Expo • DENA State Awards

1:30 – 2:30 p.m.
Pediatric Trauma: Interesting and Unusual Cases
Sean Elwell, MSN, RN, EMT
Nurse Manager, Nemours Alfred I. duPont Hospital for Children, Wilmington, DE
Your heart skips a beat when you discover your arriving trauma patient is a child. Learn how to rapidly identify life-threatening injuries and implement life-saving interventions during resuscitation of your pediatric patient.

2:30 – 3:30 p.m.
Active Shooter Survival Concepts
Adam Ringle, MBA, CCP, EMT-T, NREMT-P
President, Adam Ringle Consulting, LLC
Were those shots being fired in the hallway outside your office? What do you do? Learn how adjustments to two daily activities can decrease your vulnerability from an active shooter along with what it means to run, hide or fight.

3:30 – 3:45 p.m.
Evaluations

Speakers are subject to change at the discretion of DENA.
