Dear Delaware ENA Board Members,

I am writing this letter to express my interest in being slated for the position of President-Elect on the upcoming ballot.

This past year, I have furthered my involvement with the Delaware ENA by assisting as the membership chair and also advancing our social media accounts. I have been active in helping to plan the upcoming Delaware ENA symposium. Lastly, I advanced my involvement at the national level by representing the Delaware ENA as a delegate at General Assembly.

I have enjoyed every experience the ENA has given me so far and want to continue to advance our chapter. As President-Elect, I will continue to be an active member of the Delaware ENA by attending our various conference calls and meetings. I will continue to engage the membership in our state to figure out what it is they want from us. I would like to continue to increase our membership in 2020 by another 10%.

Thank you for considering me as a candidate for the position of President-Elect.

Sincerely,

Michelle Garro BSN, RN, CEN
